

# CORPORATE ORAL HEALTH PROGRAM

20% off  
treatments

*Health promotion in the  
workplace is an investment in  
your most important asset:  
**your employees***

## Healthy smile, healthy workers

Research suggests that the health of your mouth mirrors the condition of your body as a whole. When your mouth is healthy, chances are your overall health is good too, however if you have poor oral health, you may have other health problems.

HEALTHY EMPLOYEES ARE LIKELY TO BE 3 TIMES MORE PRODUCTIVE  
THAN THEIR UNHEALTHY COLLEAGUES.

*Highly qualified dentists, state of the art facilities, convenient location.*

*'We take the time to give you and your employees the right care that you deserve.'*

### Corporate Oral Health Program Member Benefits:

- Priority booking-first available appointments wherever possible
- Provision of material to assist in promoting the program internally ie posters, EDMs.
- 20% discount on dental treatments
- Exclusive invitations to healthcare educational sessions
- Onsite educational sessions ie stress management, grinding, sleep apnoea & snoring
- Access to valuable healthcare information and resources

A recent study indicated that the healthiest Australian employees are almost three times more productive than their unhealthy colleagues. Health, happiness, and productivity at work are directly related, with a Corporate Oral Health Program your company has an opportunity to harness this for employees.

At Spa Dental, we are committed to building and maintaining long lasting relationships with our patients, providing them with high quality and personalised care.

*'Spa Dental keeping your employees and their families smiling'*

Discover your businesses potential today with a healthy, productive and engaged workforce. Call today to schedule an appointment for our representative to provide you with more detail.
